

## T&R products shortlisted for prestigious pharmacy awards

We are delighted that 15 Thornton & Ross products have been shortlisted in the annual Pharmacy Product of the Year Awards.

The prestigious awards showcase excellence in an increasingly competitive market and highlight the best products as voted for by readers of *Independent Community Pharmacist*. Nominations are in both our OTC and prescription-only ranges.

With all of the hard work that goes into producing every element of our products, we are very proud to have so many recognised as valuable products to pharmacists.

Shortlisted products are:

Baby Care:	Oilatum® Junior Cream and Oilatum® Junior Bath Additive respectively
Child Health:	Hedrin® All in One Shampoo
Footcare:	Flexitol® Heel Balm
First Aid:	Savlon® Antiseptic Cream
Hair and Scalp:	Nizoral® 100ml
Medicated Skincare:	Eurax® Cream and Zeroderma®
Pharmacy Training:	Care Wellbeing at Work module and Zeroderma®
Skincare:	Cetraben® Cream, Oilatum® Showergel and Oilatum® Cream
Travel Health:	Eurax® Cream
Technology:	Care 'Ultimate Guide to Care' HCP App

The nominations follow the success earlier this year of T&R products in the MVP Awards earlier this year.

The vote is open to independent pharmacists who can choose their favourites via:  
<https://www.independentpharmacist.co.uk/ppoya-20>. Voting ends on January 7<sup>th</sup>, 2021.

T&R executive vice-president Roger Scarlett-Smith commented: "We are justifiably proud of our products and are delighted so many have been nominated for these prestigious awards. We have a great relationship with our customers in the independent pharmacy sector and are delighted to have been recognised as a producer of valued solutions."
